

Youth Group at Home Session 6

After watching the sermon, answer the following questions to help process what you learned. Write down your name and answers on a piece of paper and take a picture of it and email it to me at dmvsqz1@gmail.com

1. Let's make a list of things in your world right now that feel chaotic or cause you stress.
2. If you have been saved by your faith in Jesus, you have peace with God. How does this help you deal with the chaos of your world?
3. Tough question alert! Jesus says He knows that we will have trouble in the world, but we should be happy that in Him, we can overcome our troubles. But why do you think Jesus doesn't just make all the problems go away? The Bible says He can do so. So why do you think He allows us to experience tough times?
4. If I asked you to explain what Paul meant in Romans when he said, "Suffering produces character," how would you explain that?
5. Share an example in your life where going through a tough time caused you to grow stronger as a person.
6. Hope can be a tricky thing to nail down. It's a feeling we don't always realize we feel until we stop and think about it. How do you define hope?
7. How does your understanding of the hope you have in God help you get through tough times?
