

Youth Group at Home Session 8

After watching the sermon, answer the following questions to help process what you learned. Write down your name and answers on a piece of paper and take a picture of it and email it to me at dmvsqz1@gmail.com

1. Why do we want to be in control of our lives instead of surrendering that control to God?
2. If you had to describe your plan for your life, what would it be? Be honest: how much of this "plan" is a result of you processing it with God and discovering what His plan for you is?
3. Why is it easy for us to lose sight of how God wants to use our lives to impact the world around us?
4. Think of one way recently in which you have pointed someone to God, by either your words or your actions.
5. Andy said, "God sees you for who you will become, not who you are today." How does this make you feel? Why?
6. What are you doing today to lay the foundation for a life of real impact?
