After watching the sermon, answer the following questions to help process what you learned. Write down your name and answers on a piece of paper and take a picture of it and email it to me at dmvsqz1@gmail.com

1. Describe yourself in three words.
2. Why do you think we as humans spend so much of our time and energy trying to shape and define our identity?
3. If you're honest, where are some places you find yourself turning for answers to the question, "Who am I"?
4. How does your relationship with God shape your identity?
5. What is one way your identity as a child of God overcomes some of the more negative ways in which you may have be tempted to see yourself?
6. Jacob wrestled with God both literally and figuratively. Can you think of a time in which you wrestled with God over something?
7. Jacob discovered precisely who he was when he accepted God's leadership over his life. What do you need to surrender to God in order to truly understand who you are?
